

THE NATURAL PLACE TO MEET

Meeting in Australia's Cairns & Great Barrier Reef allows naturally inspired moments; surrounding your team with great, leaves your business greater.

As the official convention bureau for the region, Business Events Cairns & Great Barrier Reef (BEC & GBR) supports meeting planners looking to bring a business event to our breathtaking location.

BEC & GBR is part of your team and is backed by an extensive range of professional partners dedicated to making your event memorable. For us, it's about teamwork, our collaborative approach and flexibility as a region. Our belief and passion in this naturally unique destination motivates and inspires everything we do. For you, it's a choice of superb venues, first-class service, world-class business events infrastructure and a breathtaking array of activities and attractions.

Cairns & Great Barrier Reef is the natural place to meet; a tropical region encouraging genuine connections to nature and each other. The only place where two world-heritage listed sites meet. Explore the largest coral reef, wonder at the oldest living rainforest and experience Indigenous cultures. Cairns & Great Barrier Reef; where sitting next to colleagues, doesn't feel like you're at work.

Our complementary and impartial services include:

- Connecting event planners to business events products and services
- Coordinating and preparing event bids and proposals
- Coordination of site inspections
- Invitation to participate in educational programs
- Access to the regions "Delegate Advantage Program" (discounts and value adds for delegates while in region)
- Marketing collateral and delegate boosting material including access to image and video library
- General destination information and advice

BEC & GBR offer financial support for eligible events assessed on a case by case basis with priority given to events held between October-May

Reach out to us today and let us assist you as you navigate through the planning process.
