THE GLADSTONE REGION

Unique Unforgettable Untouched

The gateway to the Southern Great Barrier Reef - the Gladstone region is known for the incredible juxtaposition of industry, nature and the World Heritage listed Great Barrier Reef. Home to some of the most stunning coral reefs in the world, the thriving region is an untouched paradise with an extensive and diverse culture. It is an exciting and interesting destination with something to offer every resident and visitor.

1 Vibrant, Integrated Entertainment Precinct

In the heart of the Gladstone's hustle and bustle, the GECC is the centre point of the city's entertainment precinct.

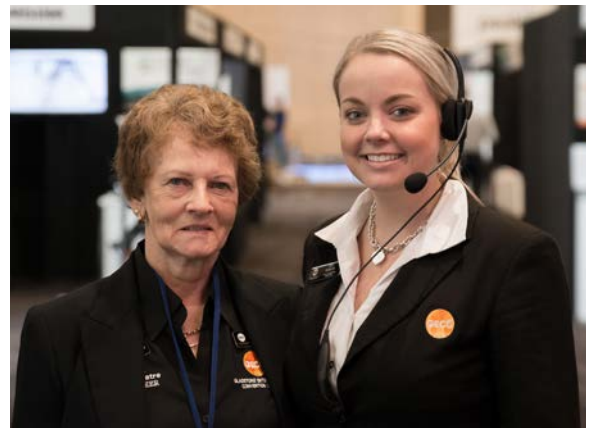

With Lightbox Espresso and Wine Bar attached to the GECC, and with only a short walk to the Gladstone Marina, GECC's central location makes it the place to be any day or night of the week.

2 Expert Team

With over 80 years' experience within the GECC events team, your event is in very capable hands.

Committed to delivering high quality, professional events for you and your guests, the GECC team will assist you to curate all aspects of your event. From food and drinks, to space and entertainment, the events team strive to ensure guests are welcomed with a perfect setting and leave with a positive lasting impression. Our goal is to create a seamless and successful event, every time.

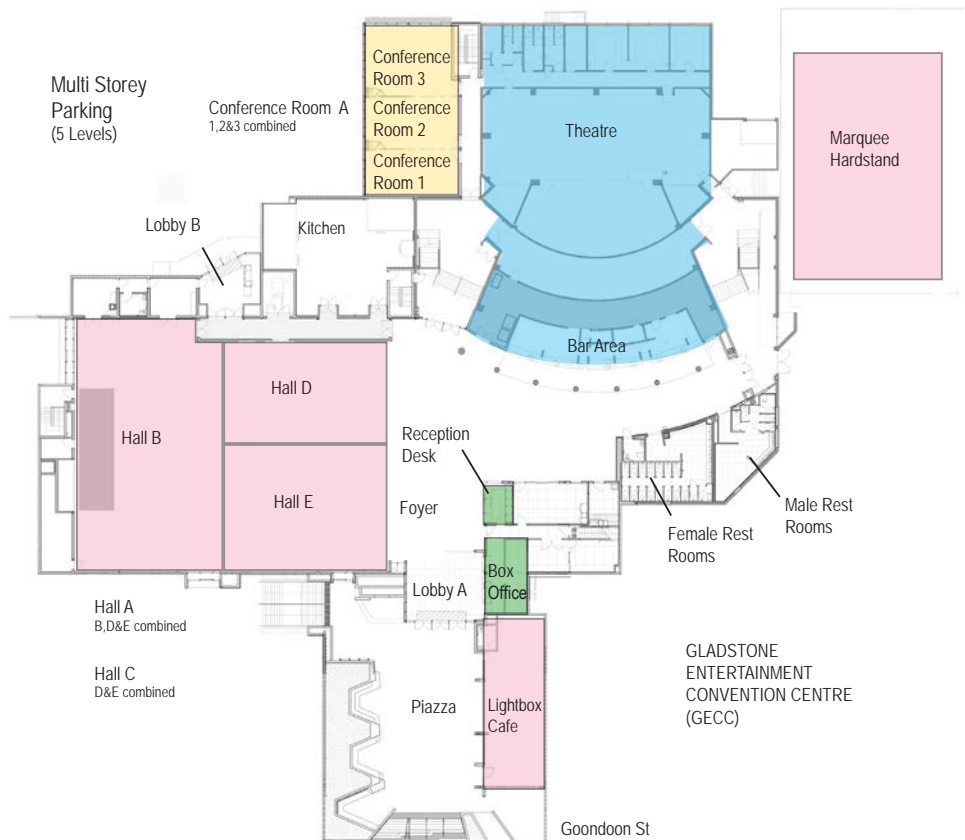

3 Dynamic And Adaptable Spaces

Boasting multipurpose spaces, the GECC can cater to any event- large or small. The intelligent design also allows for multiple events to be hosted at once. Whether it is a large conference, small meeting, theatre show, gala event or rehearsal – GECC can do it all.

The GECC boasts operable walls in the flat floor, conference compatible spacing, a spacious layout and multi-level design, making the space both functional and enjoyable for any event.

ADDITIONAL VENUE FACILITIES:

- Service lift from loading dock directly to hall/foyer area
- Full disabled access and facilities
- Full commercial kitchen
- Bus access via Oaka Lane

4 Industry Leading Technology

GECC boasts state of the art technical equipment including:

- Fully networked building for an integrated audio-visual experience
- Flexible lighting options with a fleet of 100 intelligent moving lights
- Full concert quality sound/PA system
- Large double blend projection theatre - 13 metres wide x 7 metres high
- 20 LED TV Screens
- An experienced and innovative team with the ability to adapt to client needs

5 Integrated Entertainment Precinct

Our community is ready to welcome you, your guests and their families with a competitive venue, travel and accommodation prices and packages, which is complimented by a personal and flexible service approach and a willingness to address your specific needs.

The perfect blend of bush and beach, the stunning Gladstone Region is waiting to welcome you, your guests and their families. Not only does GECC offer a world class venue for competitive prices, but our personal and flexible service will ensure we address your specific needs.

AMPLE ACCOMMODATION

Situated just a stone's throw away from a wide selection of 4 and 4.5-star accommodation, GECC has your stay in Gladstone sorted. With over 400 rooms in a 3-minute walk from our venue, housing both you and your guests' is simple. GECC is here to provide you with a one-stop-shop and assist the coordination of your event accommodation.

FINE DINING OPTIONS

Fine food restaurants and casual café dining options are readily available in the Gladstone CBD and surrounds. Tantalise your taste buds with seafood fresh from our local providers or taste the diversity our multicultural region has on offer. We can guarantee you'll get that city vibe served with country hospitality.

AFFORDABLE ACCESS VIA AIR, CAR, TRAIN BUS

Regardless of whether you're travelling by land, air or sea - getting to and around the Gladstone Region is a (sea) breeze! The region offers a variety of travel options, including taxi, coach and car hire services for in and around the town.

If you're looking to discover the vast land our region covers, just aboard the Queensland Rail Travel Train.

If you're chasing a little vitamin sea, boats services operate daily within the Gladstone Region.

Whatever it is you wish to explore; the Gladstone Region has the transport to get you there.
