

CONFERENCE & INCENTIVE RIVER CRUISES

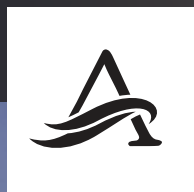

People who make a difference
deserve more than the world—

THEY DESERVE TO EXPERIENCE THE
WORLD IN AN UNFORGETTABLE WAY.

There is no better way to see the world than on a river cruise. From seeing iconic sites, to creating unique, exclusive experiences along the way, a cruise creates the trip of a lifetime while allowing you to develop your own unique and customised program. Avalon offers the perfect blend of relaxation and luxury, combined with extraordinary experiences and service your clients will delight in along the world's most majestic rivers.

AVALON WATERWAYS CONFERENCE & INCENTIVE RIVER CRUISES

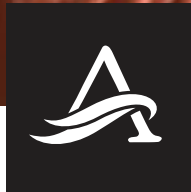

Avalon Waterways has been showing groups the world since 2004. From large sales organisations, to franchise groups, to meetings, events and special interest groups, choose Avalon for the unmatched experience we deliver guests, and the intimate experience our ships deliver. A part of the Globus family of brands, a trusted travel provider for over 90 years, Avalon is the expert in designing river cruises and land programs for the MICE market across the world.

Our dedicated clients team provides unparalleled support and assistance throughout the entire process, from planning your cruise to ensuring the entire experience is a success beyond your expectations. You'll have an array of materials to promote to your clients to build excitement.

Our industry exclusive Suite ShipSM fleet provides your entire group the opportunity for the same large suite style cabin accommodations. All conference and incentive river cruise programs and onshore programs are fully customisable, so you can create the most unique and wow experiences for your clients.

Navigating elegance and ease, our crew delivers an exclusive and personalised experience. From the Captain and Cruise Director to your stateroom attendant and wait staff, Avalon provides warm and friendly service, mouthwatering cuisine, and unmatched experiences – to deliver the perfect degree of relaxed indulgence.

OH HOW SUITE IT IS

Everyone enjoys the same stateroom and the same amazing view.

There's only one point-of-view on an Avalon Waterways river cruise — the Suite view. You won't find the challenge of who to place in what cabin when choosing Avalon Waterways. Our unique Suite ShipsSM feature our signature Panorama SuitesSM with the widest opening windows in river cruising and beds facing the windows for your guests to enjoy what river cruising is all about — the ever changing views. On our Suite FleetSM in Europe, 80% of the staterooms are 18.6 square metres suites and in Southeast Asia, all rooms are Panorama Suites at a spacious 22.7 square meters.

At 18.6 square metres, the Panorama SuiteSM is more than 30% larger than the industry standard.

“Our stateroom was comfortable and attractive. People felt they had ample space and they loved the balcony windows. I was impressed with the strong water pressure in the shower and the L’Occitane toiletries smell wonderful...”

OPEN-AIR BALCONYSM

Wider openings for the wide-eyed.

Avalon Waterways Open-Air Balconies were designed with our guests' views in mind. The wall-to-wall, floor-to-ceiling windows open 11-feet wide in Europe and 14-feet wide in Southeast Asia... Wider than any other balconies in the industry.

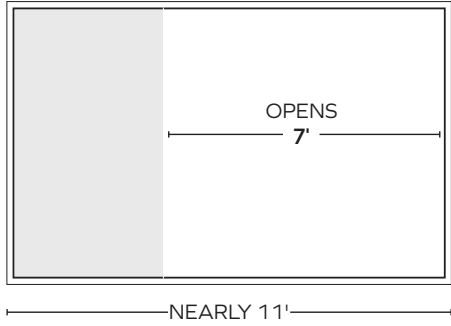

Even better? Avalon's balconies do not sacrifice room space. In contrast, they invite our guests to enjoy 100% of their Panorama Suite, 100% of the time. And they're making a splash with Avalon's guests. In fact, according to a new survey of 652 past travellers, 95% would choose Avalon's Open-Air Balconies to traditional French balconies.

We're the only river cruise company that's figured out how to give our guests everything they want – more space, indoor/outdoor living, huge views for miles in the comfort and privacy of their rooms.

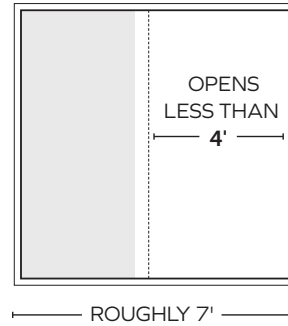

The largest standard windows in river cruising
with floor-to-ceiling, wall-to-wall views.

AVALON

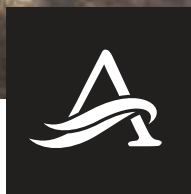

Our giant floor-to-ceiling window is nearly 11' wide.

Standard window is roughly 7' wide, and opens less than 4'.

The man, on the right, is also smiling and holding a glass of red wine. They are seated at a table with plates of food, including what appears to be a Caesar salad and a steak with potatoes. The background is softly blurred, showing other diners and warm restaurant lighting.

“The meals were absolutely delicious. Seriously good...The daily variety and quality of all the food was excellent and thoroughly appreciated. And it was so nice to be able to have a Caesar salad or steak & potato on the day when comfort food was desired. Hats off to the entire kitchen staff.”

GREAT RIVERS TO ROAM

Gently rambling, eagerly flowing, wildly rushing... each of Europe's legendary waterways have a distinct personality and a long, fascinating history.

WHERE AVALON SAILS

RHINE RIVER

Flowing from the Swiss Alps to Holland's North Sea, the Rhine is one of the most important rivers in Europe, perhaps most famous for its legendary Lorelei rock and the imposing medieval castles that line its banks.

MAIN RIVER

Winding across Central Germany, the Main River is formed by the joining of the Red Main and the White Main, meeting the Rhine River at the town of Mainz.

MOSELLE RIVER

Flowing through France, Luxembourg, and Germany, the Moselle River is known for the excellent wines produced along its banks as well as for its picturesque medieval castles.

SEINE RIVER

The Seine rises just northwest of Dijon and flows in a northwesterly direction through Paris before emptying into the English Channel at Le Havre. It is one of Europe's great historic rivers and since the early Middle Ages has been considered the river of Paris.

RHÔNE RIVER

An important inland trade and transportation route since Greek times, the Rhône River flows south to the Mediterranean, winding through the orchards and vineyards of the fertile Rhône Valley.

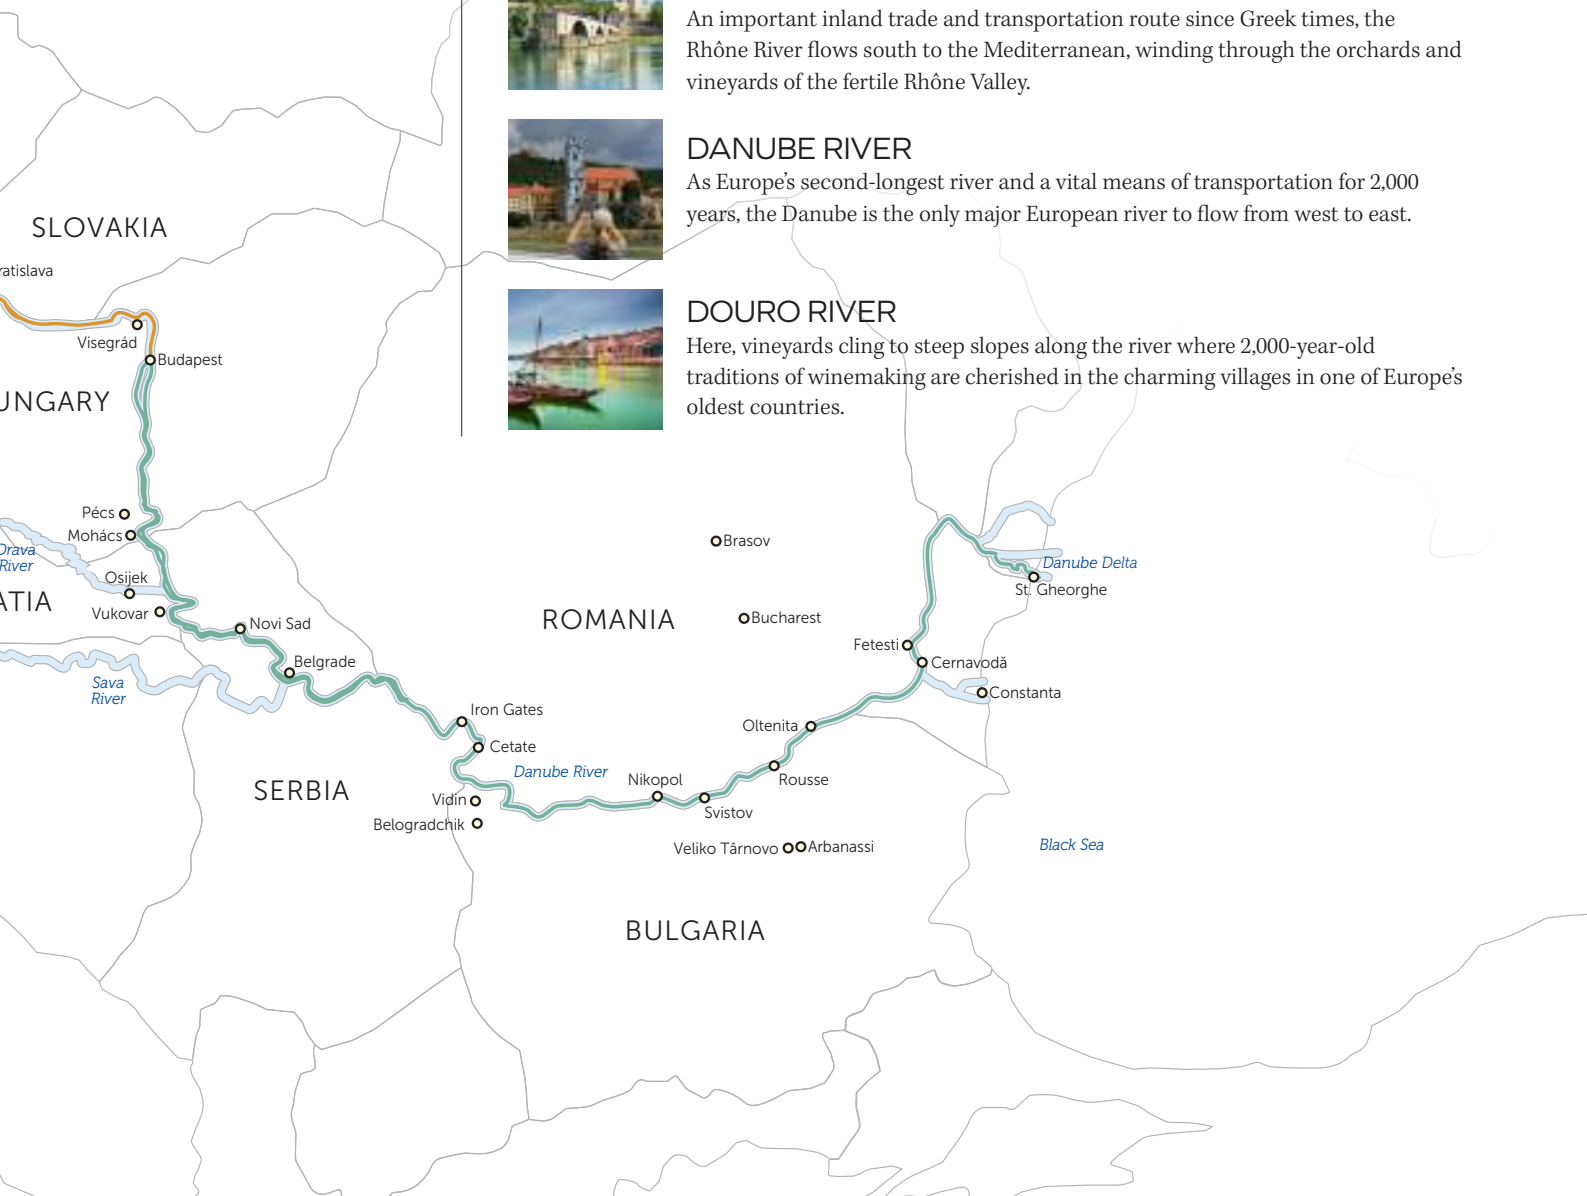

DANUBE RIVER

As Europe's second-longest river and a vital means of transportation for 2,000 years, the Danube is the only major European river to flow from west to east.

DOURO RIVER

Here, vineyards cling to steep slopes along the river where 2,000-year-old traditions of winemaking are cherished in the charming villages in one of Europe's oldest countries.

Treasure of Galápagos – Galápagos Islands –
9 cabins – 16 guests

Fantastic treasures await your guests this cruise experience to Peru and the Galápagos Islands.

Enjoy a walking tour of Lima; guided sightseeing in Quito, where your guests can have their photo taken at the “Center of the World,” and also in Cusco, the former capital of the Inca Empire; and an excursion to Otavalo’s famous Indian market, where guests can shop for beautiful textiles, artwork, and other unique treasures. Also, visit the fascinating Inca constructions of ancient Puca Pucara, which translates to “Red Fortress,” the magnificent Temple of Sacsayhuaman, which overlooks the city of Cusco, the Inca fortress of Ollantaytambo, and mystical Machu Picchu. Then, fly to San Cristobal Island for a fantastic 4-night Galápagos Islands cruise onboard the recently refurbished Treasure of Galápagos. In the company of a local Naturalist, you’ll encounter indigenous plants and animals found only in the Galápagos Islands, such as giant tortoises, Galápagos fur sea lions, and marine iguanas—just to name a few. Also, enjoy an amazing opportunity to snorkel in the turquoise waters and see the colorful fish, sea lions, and perhaps a penguin or shark!

By supporting economic, social, and environmental initiatives around the globe, we're giving back and paying it forward to make a difference today and tomorrow. Reducing single-use plastics in our corporate offices, ships, and motorcoaches is just one way we're helping to preserve destinations for future generations to share. By working with inspiring partners like The Ocean Cleanup™ and Trees4Travel, we're taking our sustainable travel commitment to new horizons each year.

A CLEANER PLANET IS THE BEST REWARD

Avalon Waterways has recently been honoured by Europe's Green Award—recognised for our Suite ShipSM fleet's high safety and environmental standards. This prestigious award is given to river cruise ships based on the environmental impact of engines, fuel consumption, waste and maintenance, pollution prevention, and more.

AVALON ASSURANCE PROGRAM

Today’s world has changed, but what remains certain is Avalon’s commitment to our guests safety, comfort and peace-of-mind. To that end, we’ve established a set of enhanced protocols and procedures through a new Avalon Assurance Program, to ensure the health – and happiness of our guests.

WELCOME ABOARD

Social distancing throughout embarkation.

FRESH AIR, INSIDE AND OUT

Air is not circulated between staterooms, only mixed with fresh outside air.

BLENDING CULTURAL PROXIMITY WITH SOCIAL DISTANCING

Adjusting ratio of guides and coaches for excursions and following local guidelines of social distance requirements.

COMMITMENT TO THE CLEANEST SHIPS

Enhanced cleaning and disinfection throughout each ship, going above our already strict procedures.

FOCUS ON CREW HEALTH

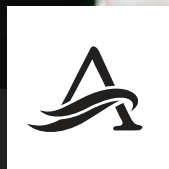

Regular health screenings and social distancing in crew quarters.

TOUCHING HEARTS, NOT HANDS

Reducing risk with more hand sanitising stations throughout the ship.

Avalon will continue to review and update Assurance initiatives as we make our return to the world’s waterways, including adhering to—and building upon—the standards set fourth by travel and health agencies across the globe, including the European Centre for Disease Prevention (ECDC), Center for Disease Control (CDC), World Health Organization (WHO), and Cruise Lines International Association (CLIA).
