

Position Title	Events Coordinator
Employment Type	Full-time Fixed-Term
Unit	Conference & Events
Location	Sydney
Award	Clerks – Private Sector Award 2010
Award Level	3

#### Position Context

The RACP Conference & Events Team provides coordination and administration services that make it easy for College Members and staff to access services or events either in-person or via videoconference. The Events Team manage all aspects of the RACP internal (Sydney and Melbourne) and external meetings and events. The RACP is a leader in medical education and health policy in Australia and NZ.

The Event Coordinator (EC) reports to the Conference & Events Manager (CEM) and is supervised on a daily basis by the Senior Event Coordinators (SEC). The EC works closely with other events staff, Fellows, Trainees and staff in other areas of the College in the delivery of internal and external meetings and events.

#### Position Purpose

To assist with the delivery of high quality in person and web-based meetings, events and conferences through strong attention to detail, creativity with a focus on customer service, collaboration and communication.

#### Position responsibilities

- Successfully support the coordination of all logistical aspects of both internal and external event delivery, including videoconferences, annual scientific meeting, teleconferences, all in-house meetings & events and other events as required. This includes the planning, delivery and post event stages of meetings, events and conferences.
- Support and maintain relationships with key Fellows, Trainees, Staff, specialty societies and other outside organisations who contribute to the requirements of meetings, events and conferences.
- Coordinate the use of facilities and the provision of services by staff and external contractors as appropriate, including room bookings, set up and pack up, catering, meeting support and ensuring the cleaning of facilities after use.
- Prepare, collect and report to the CEM on feedback received from clients who have used the College facilities for meetings and events.
- Ensure all technological issues for events are managed efficiently and continuing issues are reported to the SEC and CEM.
- Manage the day-to-day relationship with suppliers for the various components of event delivery including the College caterers, venues, technology suppliers etc.
- Any other ad-hoc requirements

Competencies required for success	
Title:	Skilled Definition:
